**p. 138, ex More practice 3**

*Dear Mam*

*I'm still **having** a great time in Germany. My German is **getting** better and better. But I'm **looking forward to** the trip home too.*

*Maike **loves** sport. She **goes** swimming or jogging every day! I usually **go** swimming with her but I **don't go** jogging. It's too hot!*

*Yesterday we **went** to the shops because Maike **wanted** to buy another Black Forest ham for you. Do you remember the ham that we **cooked** when Maike **was** at our house?? I **bought** a thank-you card for her family too.*

*I'm **going to give** them the card tomorrow because it's my last day in Germany. Maike has big plans for tomorrow evening. She's **going to cook** a special meal and some of her friends **are going to come** to her flat later and **we're going to have** a party!*

*Auf Wiedersehen! See you soon.*

*Love, Dara*
